Submitted by: Visitor

Submitted values are:

Should there be a total cap on STRs in the unincorporated county?

No

Should STRs be capped based on the ratio of STRs to the total number of dwellings in a zoning district? (Example: No more than 10% of dwellings can be STRs)

No

Should existing permitted STRs be grandfathered in?

Yes

Additional comments

We had a large family gathering at a STR on a beach front location near Warrenton in fall of 2021. We enjoyed it immensely and found it a private setting and hardly ever saw or interacted with other neighboring properties. We contributed much to the local economy in our short 4 day stay. We will be back again at the same property this fall.
