Submitted values are:

Should there be a total cap on STRs in the unincorporated county?

Yes

Should STRs be capped based on the ratio of STRs to the total number of dwellings in a zoning district? (Example: No more than 10% of dwellings can be STRs)

Yes

Should existing permitted STRs be grandfathered in?

No

Additional comments

I'm sure these people will still get there way. Why don't we focus on homing the homeless families before we worry about vacation homes. It's disgusting we act like the homeless isn't our responsibility to help lift them up. The homeless could make our lives harder if they wanted to. They just want somewhere they can get clean and eat food and maybe rest inside. Having to sleep outside for anyone is wrong especially in the elements.
