Submitted values are:

Should there be a total cap on STRs in the unincorporated county?

Yes

Should STRs be capped based on the ratio of STRs to the total number of dwellings in a zoning district? (Example: No more than 10% of dwellings can be STRs)

Yes

Should existing permitted STRs be grandfathered in?

No

Additional comments

The county needs to stop encouraging hotel businesses to move into residential neighborhoods, attractive tho yet more tax revenues are to the county government: find it elsewhere and let residents live in neighborhoods with other neighbors, not hotel guests.
