Submitted values are:

Should there be a total cap on STRs in the unincorporated county?

Yes

Should STRs be capped based on the ratio of STRs to the total number of dwellings in a zoning district? (Example: No more than 10% of dwellings can be STRs)

Yes

Should existing permitted STRs be grandfathered in?

Yes

Additional comments

There are already too many STRS!! There are no homes for those who want to live and work here. Rental prices are outrageous even if you are lucky enough to find a place! We need long-term rental properties for those who want to live, work and raise families here.
