Three Steps to Ensure Your Ballot will be Counted:

1. Place the ballot in the signature return envelope and seal it.

2. Read and sign the Voter's Statement on the signature return envelope.

3. Mail your ballot before election day to be postmarked in time to be counted.

Ballots received from the USPS after election day will be accepted **if** they are postmarked on or before election day **and** received by the 7th day after the election **and** you have signed the envelope. Your return envelope is postage paid, so there is no need for a postage stamp.
