

Comprehensive Plan Update - Goals 16-18

Update of Comprehensive Plan Goals 16-18

Clatsop County has contracted with the Columbia River Estuary Study Taskforce (CREST) to update comprehensive plan [Goals 16 \(Estuarine Resources\)](#), [17 \(Coastal Shorelands\)](#) and [18 \(Beaches and Dunes\)](#). These goals have had minimal revisions since originally adopted in 1980. This page will be regularly updated with meeting notices/links, draft documents and other information related to the process. Be sure to check back regularly for new information. You can also sign up for the Community Development e-newsletter [here](#).

PUBLIC MEETING #1

The first public meeting to discuss the process of updating Clatsop County Comprehensive Plan Goals 16 (Estuarine Resources), 17 (Coastal Shorelands) and 18 (Beaches and Dunes) will be held from 10AM-Noon, Saturday, April 20. The meeting will be held at the Judge Guy Boyington Building, 857 Commercial Street, Astoria. Information can also be found on the project [website](#) and on the Clatsop County [calendar](#).

The presentation materials from the April 20 public meeting can be found below. Thank you to everyone who participated. We are scheduling a virtual meeting that will go over the same information as the first public meeting if you were unable to attend the in-person meeting. Please check this page for updates.
