

When Emergencies Happen

When Emergencies Happen

Clatsop Alerts

Stay informed by signing up to receive emergency and non-emergency alerts from local government officials. [Sign up today.](#)

Call Center - Clatsop County Public Information

For large events/emergencies, Clatsop County activates the Public Information Call Center (PICC) for the community to give/receive information. The PICC is inactive when not in use.

Damage Reporting During Disasters (Individuals and Businesses)

- When a large scale emergency or disaster occurs the City and County are required to collect damage assessment information from individuals and businesses.
- We've set up a digital survey to collect the information and/or you can call the Call Center when activated to report your damage information.
- Complete the [Damage Report Survey](#)

HELP/OK Signs

During community emergencies that require evacuations or shelter in place put a sign in a prominent window to enable first responders and volunteers to quickly identify who needs urgent assistance. [How to get HELP/OK Signs and appropriate use](#)

Mobile Apps with Preparedness and Response Tips

- [NOAA - FEMA weather alerts](#) to your mobile phone and using your NOAA Alert radio
- [American Red Cross](#) offers mobile preparedness and response apps (first aid, CPR, pet first aid, etc.)
- [Other featured mobile apps](#)
