

Health Promotion

Clatsop County Department of Public Health is committed to promoting healthy living for all of its residents. Our Health Promotion team works to:

- Prevent alcohol and drug use, [tobacco use](#), and [problem gambling](#).
- Assist schools in implementing the comprehensive sex education program [My Future My Choice](#).
- Promote [mental health](#) awareness and resources.
- Work with community partners to address health concerns in our community.

Problem Gambling Prevention

For most adults, gambling can be a fun way to relieve stress and engage with friends. It is important to know what to watch for in case you or a loved one is at risk of problem gaming and gambling. In Oregon, it is estimated 2.6 percent of the adult population experiences moderate or serious...

My Future My Choice

My Future-My Choice (MFMC) is a comprehensive, medically accurate, inclusive, and trauma-informed sex education curriculum. It meets the 6th grade requirements of Oregon's Health Education Standards, including Erin's Law and House Bill 2509 to provide age-appropriate sex education as an integral...
