[Tobacco Retail License Inspection Checklist](#)

On January 8, 2020 the Clatsop County Board of County Commissioners passed Tobacco Retail Licensing Ordinance NO. 2019-03. The five cities within the county have adopted the ordinance as their own making the license a requirement for all businesses in both incorporated and unincorporated areas.

This ordinance requires all businesses that sell tobacco and nicotine-containing products, paraphernalia, including e-cigarette products. This does not apply to cannabis and non-nicotine vape juice. The affected businesses include:

- Convenience stores
- Bars
- Hotels/motels
- Restaurants
- Grocery stores
- Campground stores

- Event venues

This new license was created to increase retailer knowledge and compliance of laws regulating the sale of tobacco and nicotine products, and specifically to reduce sales to minors under 21.

These documents will be available in Spanish by May 1, 2020

Requirements

- Purchase a license annually from the Clatsop County Public Health Department. The license fee is \$350.
- Display the license where customers and staff can easily see it.
- If your business has multiple locations, you must get a license for each one.
- The license may not be transferred to someone else (if you sell to a new owner) nor can it be transferred to a different location.

How To Get Your License

Apply with your license fee payment of \$350 by check. You must submit an application and fee for each business location that you operate. Send or deliver to:

*Clatsop County Public Health
820 Exchange St.
Astoria, OR 97103*

Credit card payment can be accepted by phone or in person with a 2 ½% fee.

Application and Other Forms

Download your application [here](#). You can return it in person or by mail, along with your payment to our office.

Public Health Department

820 Exchange Street, Suite 100

Astoria, OR 97103

Education and Training

Retailer education will be offered to all retailers as well as be available online. The education materials being developed and will be available by May 1, 2020. Please call to schedule a training if you have not been contacted yet.

Routine Inspections

Clatsop County Public Health Department will visit your business once a year to ensure that it is following the provisions described in the ordinance. Inspections will be unannounced. You are required to let inspectors conduct their inspection or you may face penalties and could have your license revoked.

Minimum Legal Sales Age Inspections will also be conducted. Review the [Inspection form](#).

Penalties

If an inspector finds you out of compliance with the county's tobacco retail ordinance, or any state or federal tobacco retail law, you will be subject to fines, penalties or license suspension. If your business receives a penalty, you are encouraged to request a training refresher for you and your employees.

- 1st Violation: \$500 fine and mandatory training
- 2nd: Violation within a 24-month period: \$2500 and 30 day license suspension
- 3rd Violation within a 24-month period: \$5000 fine and 90 day tobacco license suspension
- 4th Violation within a 24-month period: \$7500 fine and the tobacco license will be revoked.
